§ 929.51 Recommendations for regulation.

(a) Whenever the committee deems it advisable to regulate the handling of cranberries in the manner provided in § 929.52, it shall so recommend to the Secretary.

(b) In arriving at its recommendations for regulation pursuant to paragraph (a) of this section, the committee shall give consideration to current information with respect to the factors affecting the supply of and demand for cranberries during the period or periods when it is proposed that such regulation should be made effective. With each such recommendation for regulation, the committee shall submit to the Secretary the data and information on which such recommendation is predicated and such other available information as the Secretary may request.

§ 929.52 Issuance of regulations.

(a) The Secretary shall regulate, in the manner specified in this section, the handling of cranberries whenever the Secretary finds, from the recommendations and information submitted by the committee, or from other available information, that such regulation will tend to effectuate the declared policy of the Act. Such regulation shall limit the total quantity of cranberries which may be handled during any fiscal period either by fixing the free and restricted percentages,

which percentages shall be applied to cranberries acquired by handlers during such fiscal period in accordance with § 929.54, or by establishing an allotment percentage in accordance with § 929.49.

(b) The committee shall be informed immediately of any such regulation issued by the Secretary, and the committee shall promptly give notice thereof to handlers.

§ 929.53 Modification, suspension, or termination of regulations.

(a) In the event the committee at any time finds that, by reason of changed conditions, any regulations issued pursuant to § 929.52 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

(b) Whenever the Secretary finds, from the recommendations and information submitted by the committee or from other available information, that a regulation should be modified, suspended, or terminated in order to effectuate the declared policy of the act, he shall modify, suspend, or terminate such regulation: *Provided*, That no such modification shall increase the restricted percentage previously established for the then current fiscal year. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the act, he shall suspend or terminate such regulation.

§ 929.54 Withholding.

(a) Whenever the Secretary has fixed the free and restricted percentages for any fiscal period, as provided for in § 929.52(a), each handler shall withhold from handling a portion of the cranberries he acquires during such period: *Provided*, That such withholding requirements shall not apply to any lot of cranberries for which such withholding requirement previously has been met by another handler in accordance with § 929.55. The withheld portion shall be equal to the sum of the products obtained by multiplying each of the following quantities, as applicable, by the restricted percentage:

(1) The quantity of screened cranberries acquired:

Agricultural Marketing Service, USDA

§ 929.56

(2) The quantity of screened cranberries obtained at the time unscreened lots of cranberries are screened: *Provided*, That, if the cranberries have not been screened by a date specified by the committee, with the approval of the Secretary, as the date by which each handler shall have met the withholding requirement, the quantity of screened cranberries shall be determined as set forth in paragraph (a)(3) of this section; and

(3) The quantity of screened cranberries contained in unscreened lots of cranberries acquired (i) which are destined for disposition without screening, or (ii) but which have not been screened prior to the date referred to in paragraph (a)(2) of this section. The committee, with the approval of the Secretary, shall prescribe uniform rules to be followed in determining the quantity of screened cranberries in each lot of unscreened cranberries.

(b) The committee, with the approval of the Secretary, shall prescribe the manner in which, and date or dates during the fiscal period by which, handlers shall have complied with the withholding requirements specified in paragraph (a) of this section.

(c) Withheld cranberries shall meet such standards of grade, size, quality, or condition as the committee, with the approval of the Secretary, may prescribe. All such cranberries shall be inspected by the Federal or Federal-State Inspection Service. A certificate of such inspection shall be issued which shall show, among other things, the name and address of the handler, the number and type of containers in the lot, the location where the lot is stored, identification marks, including lot stamp, if used, and a certification of the quantity of cranberries in such lot that meet the prescribed standards. Promptly after inspection and certification, each such handler shall submit, or cause to be submitted, to the committee at the place designated by the committee a copy of the certificate of inspection issued with respect to such cranberries.

(d) Any handler who withholds from handling a quantity of cranberries in excess of that required pursuant to paragraph (a) of this section shall have such excess quantity credited toward

the next fiscal year's withholding obligation, if any, of such handler: *Provided*, That such credit shall be applicable only (1) if the restricted percentage established pursuant to §929.52 was modified pursuant to §929.53; (2) to the extent such excess was disposed of prior to such modification; and (3) after such handler furnishes the committee with such information as it prescribes regarding such withholding and disposition.

If such transfer is made between handlers who have packing or processing facilities located within the production area, the assessment and withholding obligations provided under this part shall be assumed by the handler who agrees to meet such obligation. If such transfer is to a handler whose packing or processing facilities are outside of the production area, such assessment and withholding obligation shall be met by the handler residing within the production area.

(b) All handlers shall report all such transfers to the committee on a form provided by the committee four times a year or at other such times as may be recommended by the committee and approved by the Secretary.

(c) The committee may establish, with the approval of the Secretary, rules and regulations necessary for the implementation and operation of this section.
